A 92-year-old World War II veteran, Moses Priester Sr., recently published his first novel, ***The Tree of Love***. Set in South Carolina in the 1800s, against a backdrop of racial segregation, this book is an engaging tale of love, conflict and redemption.

Changes and Challenges, a memoir by author Suzie Keels, relates her struggles to find her true gender identity and her challenges with dyslexia. She chronicles her journey through gender change and her quest to strengthen her literacy skills.
